

Vietnamese migration map

-  Some Vietnamese migrants enter the EU on foot, passing through forest areas.
-  Some Vietnamese migrants enter EU countries on a flight.
-  Some Vietnamese migrants fly from Hanoi to Moscow, then pass into Eastern Europe and through Central Europe by car or lorry, before moving to Western Europe.
-  Vietnamese migrants are commonly exploited in garment factories that produce counterfeit goods sold throughout Europe.
-  Vietnamese people are commonly exploited in the construction industry for periods of time before continuing into the EU.
-  Marketplaces offering Vietnamese goods and services are commonly the first stop for Vietnamese migrants moving across Europe, with many workers becoming vulnerable to exploitation.
-  Drug production and nail bars are the most common industries in which Vietnamese migrants are exploited in Europe.
- 
-  Reports have shown some Vietnamese migrants have used ferry crossings to enter the UK irregularly.
